

South East Leisure

Dear Member,

As you may be aware, from Friday 1 July 2022 Greater Dandenong Leisure Facilities, will be managed by South East Leisure (SEL) on behalf of Council.

This decision is part of a bigger objective to bring all Council owned recreation facilities together and to be managed by a new Council entity. SEL is strongly committed to improving community health and wellbeing outcomes through accessible, high quality leisure experiences.

The YMCA have managed these facilities for the last eight years and we'd like to acknowledge the excellent work of the staff in running the facilities.

What does this mean for you?

We are pleased to inform you that your current membership access will remain the same and you do not need to do anything. Your first membership direct debit with SEL will be on Thursday 14 July 2022, and you will notice a name change relating to the debit on your bank statement, the name that appears on your statement will be South East Leisure.

All existing services and programs will remain the same. To view Membership prices from 1 July 2022 [click here for 2022-23 Current members membership fees](#). For [South East Leisure's Terms and Conditions please click here](#).

Afternoon closure

Please be aware to make this change, that facilities will close on Thursday 30 June at 12pm midday and will reopen the following day, Friday 1 July as normal. There may be some small interruptions to service as the changeover occurs so, please be patient with us. Because of this interruption, a days' credit will be applied to the debit on 30 June.

Should you have any queries please ask the staff at your next visit, alternatively you can visit [South East Leisure](#) for more information. We look forward to seeing you at the centre soon.

Yours sincerely,

Centre Management

South East Leisure
